If your child is not signed up for after care, you must pick up your child at 3:30 p.m.

**ACCIDENTS/INJURIES**

The safety and care of campers in our care is our top priority. Even with careful and diligent supervision, young children are often testing their limits which makes injuries inevitable. With minor incidents, the staff will inform you of the injury and will provide you with a copy of the Incident Form within the week. In the event of a medical emergency requiring a doctor’s treatment, we will contact you immediately. If we cannot make contact with a guardian, emergency personnel will take the child to the emergency room via ambulance. At all times, there will be an IUPUI Day Camp staff person with your child.
